Correspondence of the Yorkville Enquirer. LETTER FROM CHESTER.

CHESTER, April 13.-We are now having unusually cold weather for this season. Last week there was a heavy freeze, which did much damage to vegetation. Some of our farmers express the fear that the small grain crop is also injured In different parts of the county the wind and hail storms of last week were severe—blowing down houses, trees, fences, &c. In the Rocky Mount section, the dwelling of John McCrorey was blown down and he was caught in the ruins. It was some time before he was taken out, but fortunately he was not injured. There was quite a fall of snow here on Thursday last, but by next morning it was nearly all

Sheriff Walker has received papers staying the hanging of Scott Hopkins on the 23rd instant, un-til the decision of the Supreme Court in his case There was considerable wire pulling and confidential chat among the Republican party here on Saturday last, and it is ascertained that they are to have a County Convention here on Saturday Four hundred feet of new hose has been re

ceived for the Stonewall Fire Engine Company, which will enable them to render more efficient service in case of fire. President Chambers, of the Stonewalls, moves things in earnest. Trains on the Cheraw and Chester Railroad are Trains on the Cheraw and Chester Railroad are now running to Catawba river—a distance of twenty-two miles. The track and road bed are in fine condition. For the past two months the earnings of the road have been at the rate of \$26,962 per annum. When the road is completed to Lancaster, its earnings will increase 50 per cent. The mortgage bonds sell readily at par. Only \$100,000 of bonds are issued on the road from this place to Lancaster. A flat will be
